

## **Certified Nurse Assistant (CNA)**

Euola is hiring Certified Nurse Assistant (CNA) to support Long Term Care Facilities in Winston Salem NC.

### **Certified Nurse Assistant duties and responsibilities:**

- Verifies identity of Resident receiving medication, checks the MAR to assure correct medication is being given, and records time of administration or self-administration on specified forms or records.
- Supervises the self-administration of medications by presenting medication to Resident and observing ingestion or other application.
- Obtains and records Resident's vital signs (temperature, blood pressure, pulse and respiration rates), weight, food and fluid intake and output, as directed
- Observes Resident to detect response to specified types of medications and prepares report or notifies designated personnel of unexpected reactions.
- Answers Residents' call signals to determine Residents' needs in 7 minutes or less according to Facility Standards.
- Maintain safety of Residents
- Assure Resident hygiene by following bath schedule and providing baths and/or sponge baths at all other times as is necessary.
- Assists Resident with dressing and toileting as needed and assigned.
- Observe Resident for change in condition and report any unusual occurrence to the Resident Services Director and/or supervisor in charge.
- Complete incident report in its entirety for any unusual occurrence, event, or change in condition.
- Assist with meal service by setting tables, serving Residents, providing necessary refills or seconds, and removing dishes as Residents are finished eating. Bus tables after meals to assist in cleaning the dining room. Vacuum room as assigned.
- Cleans common areas as assigned and appropriate to shift.
- Completes daily paperwork as required to assure all assigned duties are being performed for each Resident.
- Completes all mandatory compliance, HIPAA and state and federal regulatory training as required.
- Performs other duties as assigned and which relate to the success and the Care, Comfort, and Happiness of our Residents.

### **CNA will have:**

- High School diploma or GED required
- Graduated from an accredited and approved nursing program
- CNA certification is required
- Listed with the nurse aide registry as an NA I is required.
- A minimum of one (1) year experience in Long Term Care Facility.
- Certifications in CPR, AED, and First Aid
