

## **Licensed Mental Health Counselor**

Euola is seeking qualified Licensed Mental Health Counselor to support the Veterans Administration (VHA). This is a great opportunity to support those who have served in our nation's military, their families, caregivers, and survivors.

### **Duties and Responsibilities**

- Provides psychosocial assessment and diagnostic services for Veterans with a broad range of psychopathology receiving care within the Outpatient Behavioral Health Program.
- Provides evidence-based psychotherapeutic interventions as indicated and appropriate for the specific job setting and duties of the counselor, which may include individual, family, and group psychotherapy and psychoeducation.
- Provides consultation to health care providers about assessment findings and treatment plan for patients to ensure that care is coordinated, collaborative, and integrated within the Medical Center.
- Develops, implements, and documents the mental health treatment plan for an assigned caseload of patients, as indicated and appropriate for the specific job setting and duties of the counselor.
- Complies with all Service Line documentation requirements, including standards for timely completion of CPRS patient contact notes, use of required documentation templates, clinical reminders, treatment plans, and risk assessment protocols.
- Adheres to all Facility and Service Line policies and practices for delivering clinical care, including but not limited to risk assessment and reduction practices for potentially dangerous behavior (suicide and violence), timeliness of care and access standards, professional conduct requirements, and CPRS documentation conventions.

### **Qualifications:**

- Hold a master's or doctoral degree in: Clinical Mental Health Counseling; Clinical Rehabilitation Counseling; Clinical Mental Health Counseling and Clinical Rehabilitation Counseling; or a related field, from a program accredited by the Council on Accreditation of Counseling and Related Educational Programs (CACREP)
- Must have full, current, and unrestricted license to independently practice as a Licensed Professional Mental Health Counselor, which includes diagnosis and treatment.
- Must have at least one year of post-master or post-doctoral degree mental health counseling experience.
- Subject to background/security investigation
- Participation in the Coronavirus Disease 2019 (COVID-19) vaccination program is a requirement for all Veterans Health Administration Health Care Personnel (HCP).
- Participation in the season influenza vaccination program is a requirement for all Department of Veterans Affairs Health Care Personnel (HCP).
- Proficient in spoken and written English
- Must be a citizen of the United States.
